To the Parents,

We would personally like to thank you for taking the time with your child to have some good ole hometown fun. The maple festival is celebrating its 81th festival this year and we want it to be an outstanding year. We are looking forward to meeting all the contestants and seeing each of their talents. We want to point out that this is not a beauty pageant. We are just looking for individuals that will represent the Geauga County Maple Festival on Festival weekend. If your child is chosen as Prince or Princess we would like them to introduce them at Tappin Sunday March 14 at the sugar house.
